COMMANDER'S CORNER

Summer is almost over, so it is time to look ahead to the upcoming months. The Fish Fry will be over by the time the newsletter comes out, but I am looking for a great turn out. Labor Day weekend on Sunday the Post will have a BBQ 1/2 Chicken for sale in the parking lot, to help support the Post Building Fund. See flyer in newsletter (see page 8). Football Season is just around the bend so let's start it out right. Sept. 5 at 8:30 PM Ravens @ Broncos Thursday Night Football. There will be Pit Beef, Pit Ham and Italian Sausages. Happy Hour prices during game (see page 5).

The Sal Crab Feast is over and they did a fantastic job putting on this event, you all did a great job, Thank You. I want to thank two of the post officers, the Post Chaplain Mike and 1st Vice Chris. They are doing an outstanding job. Also Phil for his support he has given to me and helping Chris on keeping our membership up to date and current. I would like to thank two of our post members, Ron and Mary for your support you have given to the post. Thank You.

Let us all remember to thank our Men and Women in uniform for all they do to keep this Nation free and the sacrifice and hardships they endure. May God bless them all and keep them out of harm's way. Remember to thank a fellow Veteran for their service to our great country.

My Honor To Serve

Andrew M. Curley
Commander Post 276

First Vice Commander

It has been a busy month submitting memberships. Thank you to all of you who have already paid their dues. If you have not as of yet, there is still time to submit before the early bird period ends.

Speaking of early birds, the early bird party is tentatively set for November 16. Details will follow soon.

In Legion service,

Chris

A special thanks goes out to several folks who worked to construct a new compressor shed on the side of our building. Mike Arbogast and Dave Chester planned the improvement and provided support to Cliff Conway, Terry Barney and Mike Lowman who did the carpentry work. They had valuable assistance from Jonny Ford and Roy Dixon. The painting was done by Dave Chester. Thanks to all who give of their time and their skills.

By the time the newsletter goes to print the new draft system should be installed and saving the post money from the beer wasted on the old draft system. A Big Thank You goes out to Ron and Mary.

I need to get a few Post members together to come up with some new ideas to bring some life back into our Post. We need to bring the members and their Families back to the Post on the weekends. Remember we are American Legion Family and this is a Post for the whole Family.

Chaplain's Corner September - October 2013

Where has the summer gone? But for a brief spell in early July, I can barely remember the 7-10 day period we had with the warm, sultry temperatures. The National Weather Service says it has been a cool and wet summer for the most part but you couldn't base that on the conditions of my lawn. Must have been the *Odenton dome enigma* where I have become all too familiar with those can't miss showers headed our way only to see them evaporate as they drench Howard County, lift up its skirt before pouring buckets over Glen Burnie and points eastward towards the Bay!

Hopefully everyone has gotten their vacations in and as we say in the DoD – have fully charged their batteries and happily gone back to work, sequestration or not! The school busses are running again and as a reminder, please take it easy while driving on the roads during the am and pm commutes while schools are in session.

For all our sick and homebound members we send you our prayers and our thoughts for an easier time for you. If you require anything, please feel free to call the lounge and ask for assistance from your chaplain.

For all that we are given and for all that is still to be given we say Thank You and Amen.

Chaplain Mike Krieger

We are always looking for new members for each of the organizations associated with our Post.
