COMMANDER'S CORNER

Legionnaires,

Spring is in the Air!

It is time to spring our clocks forward, Daylight Savings Time begins on Sunday March 14th. As you change your clocks do not forget to also change the batteries on your smoke detectors. The Post has started to bring back some of your favorite events and we have resumed our normal hours of operation. As we approach spring and move into summer be on the look-out for events happening around the Post. You can stay informed by checking out our [website](#) or Facebook.

This year the Annual SAL St. Patrick's Day Meal will be held on Friday, March 19th from 5-8 pm. The Legion Riders' Blessing of the Bikes is scheduled for April 10th with breakfast starting at 9am, prior to the blessing.

Membership continues to progress as we hit our goals, but overall membership renewals are down from last year. The American Legion, and this Post, only exist because of our members. So, if you have yet to renew, please go ahead and submit your payment. You can do it online or drop off the payment in the Lounge. If you know someone who is eligible, bring them in, sign them up and show them the benefits of being a Legion Member. I want to welcome all our new members and those who transferred in. **Remember that we are always looking for volunteers.**

I am also asking our Legion Members to join me, our Officers and other members every second Thursday of the month at 1900hrs for our General Membership Meeting. Your attendance is important and needed. You are the post and your ideas, recommendations and/or suggestions matter and are welcomed. **I am asking for your support.** So please join me and the other officers. It is only for one hour, once a month.

Hope to see everyone around the Post and have a **Happy Easter!!!**

God Bless You all!
Marcelo Teixeira
